PETITION FOR REVIVAL

RECEIVED
JUL 18 1991 14

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Applicant herewith petitions Commissioner, under paragraph 1.137(b) in Rules of Practice in Patent Cases, to revive subject application.

Applicant herewith verifies that subject application was unintentionally abandoned.

Enclosed herewith are:

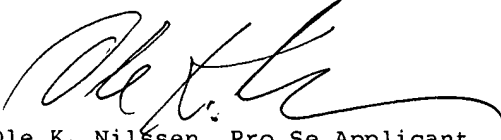

- (1) A check (#3819) for \$525.00 to cover the fee therefor;
- (2) A Verified Statement re Small Entity Status.

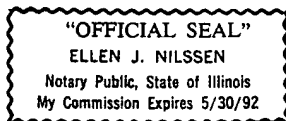

A response to the outstanding office action has previously been submitted in the form of Amendment E submitted by Applicant on 01/20/90 (Paper No. 69), but which Examiner -- according to office action dated 09/26/90 (see lines 5-7 at page 2 of that office action) -- refused to enter into the record.

Also outstanding is a petition submitted by Applicant on 04/04/91; to which petition Applicant awaits a proper response from the Commissioner.

Applicant believes that Examiner's holding of abandonment (dated 04/25/91) of subject application was improper; and on 04/04/91 Applicant submitted a petition to have Examiner's holding of abandonment overturned. However, because the application had been held abandoned by Examiner, this particular petition is apparently being prevented by Examiner from being responded-to by the proper petitions officer. The only response Applicant has had to this petition is from Examiner, who held the petition to be moot in view of his prior abandonment of the application.

In connection with the outstanding petition, Applicant requests of Commissioner to take a look at two recent actions from the Board of Patent Appeals and Interferences; which two recent actions are identified as Appeal Nos. 90-2235 (Serial No. 07/153,572) and 91-1294 (Serial No. 07/250,990). These appeals both pertain to applications being examined by subject Examiner (Mr. Beha), and demonstrate the problems Applicant refers to in subject outstanding petition.
